News in Brief
 (Continued from page one)

Albany's 1953 Red Cross residential campaign neared the half-way mark at a report meeting held recently at Berkeley headquarters. Mrs. Will Belieu, chairman of the drive reported contributions from Albany residents totaling \$837 of the \$1746 goal. "Although had weather spoiled the two-day drive we had planned," she said, "workers are pursuing the goal with energy. We hope to complete our canvas by the last report meeting to be held on March 19."

BOOK REVIEW—The first in a series of book reviews will be given at the Albany Library at 3:45 p.m. Thursday, Mrs. Frances Durand, of 840 Santa Fe Ave. will review her recently published book, "Creative Dramatics for Children," a manual of special interest to teachers, leaders and parents.

NEW STUDEBAKER—Acclaimed at press previews as the most distinctive cars ever built by an American automobile company, Studebaker's 1953 passenger car models today are on display at Mulder-Gordon, local Studebaker dealer at 929 San Pablo Ave. "The new Studebaker breaks as sharply with American contemporary design as did their predecessors immediately after World War II," said George Muller of the local dealership.

NEW ARRIVALS—Mr. and Mrs. Robert Glass of Sacramento are announcing the arrival of Mark Ray, who checked in Sunday at Permanente Hospital. He weighed 7 pounds 10 ounces and his maternal grandparents are Mr. and Mrs. Frank Lampson of 905 Evelyn Ave. Number 11 son was born to Mr. and Mrs. Don LaPlant, 834 Talbot Ave. Sunday at Albany Hospital. He weighed 9 pounds 10 ounces and they are calling him Ronald.

More About Albany Hill
 (Continued from page one)

"I didn't know anything about most of it," said the Council authorized Councilman Lewis Howell to attend a League of California Cities meeting in Sacramento March 12 to discuss county and city sales taxes. Howell was allowed a \$25 expense account over the objections of Mrs. Zahn, Alton. He is the brother of Richard, age 3. The father is active in local Eagle affairs and is an employee of East Bay Municipal Utility District.

Catholic Ladies
 The Catholic Ladies Aid Society will hold their regular monthly luncheon at St. Ambrose Church hall 12 noon Friday, March 20. Mrs. William Dever is chairman, assistant Mrs. Kathie Zahn for pay Donald Delemene and George Fisher.

TV NEWS
 By JIM BLANCHARD

We remarked last week that the UHF range has room for some 70 or more channels to accommodate new stations. Since the FCC lifted its "freeze" on new stations last Fall, more than 220 permits for new UHF stations have been issued, some of which are already broadcasting. And the future is unlimited. . . it won't be too long before every town of any size will have its own station . . . which will mean that present fringe areas won't be as the fringe anymore.

Speaking of improved fringe area reception, ABC has applied for permission to increase the power of the stations it owns around the country. By merging with United Paramount Theaters, ABC acquired the money to improve transmission and also to compete with NBC and CBS for the big TV stars. Competition is getting hotter . . . and you TV set owners will benefit from it.

Speaking of money matters naturally reminds us of the news of the new contract for "I Love Lucy," by which Desilu Productions, owned by the two stars, Lucille Ball and Desi Arnaz, nets something like \$4,000,000 over two-and-a-half years. The whole deal totaled several millions more than that figure. Anyway, it should take care of Junior's college education. Folks are getting educated to demand the best in a TV set . . . that's why so many are insisting on names they know for quality, like PHILCO, Du MONT TV, for the times a UHF or UHF television, at SKIP'S RADIO & TELEVISION, 1000 Broadway, Albany.

THEY ARE NOT!

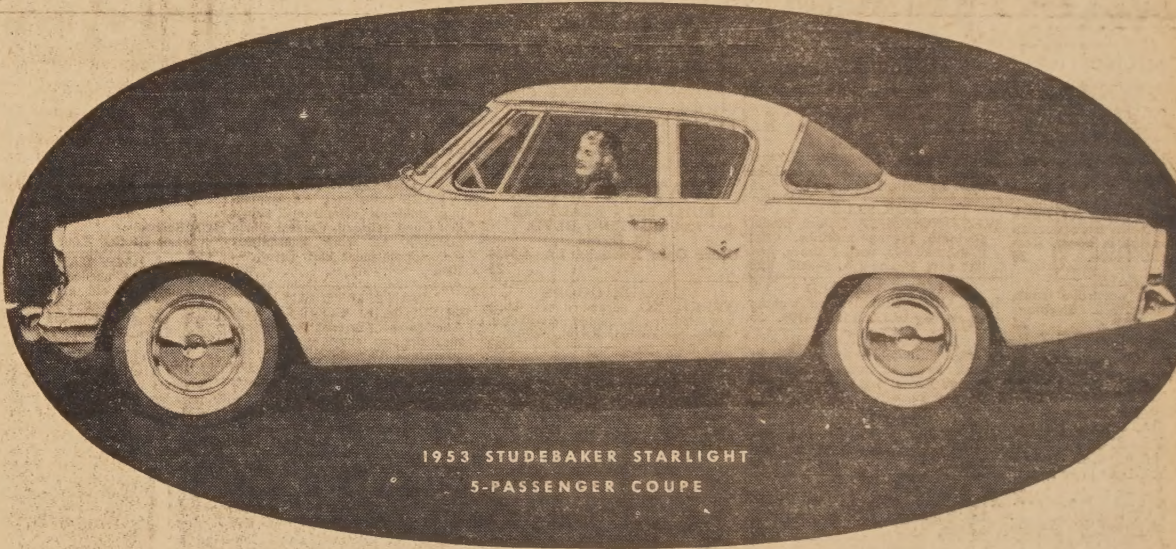

The Bank Plan offers you two proven money-

This complete story of Pacific Telephone in 1952 is yours for the asking at your Pacific Telephone Business Office.

1952: A Year of Telephone Progress for You

building fast to bring still more service,
service, to all the Pacific West

Today in the Pacific West are more tele-
phones than ever before in history. And the
service they provide is better than ever, too.
1952 was a year of progress for Pacific
Telephone, as have been all the years since the
World War Two. Because the telephone
is so important to everyone in the West today,
we give you a quick report on this past
year taken from our Annual Report for 1952.

1952 Highlights
Every day, Pacific Telephone spent half
a million dollars on construction.
Improvements in wages and related bene-
fits for telephone employees amounted to more
than \$1,000,000 annually.
Local taxes per telephone in 1952 ad-
ded to \$37.17. This means an average
of \$3.10 per telephone per month—
a double what it was ten years ago.
New radio relay facilities were ex-
tended to Portland, Seattle and San Diego
helping us to handle more long distance
calls than ever, and bringing network tele-
phone service to these cities for the first time.

New telephones went in fast. More than a
million people in the Pacific West applied for
telephones during the year. In most cases we
were able to install them without delay. Enough
telephone buildings, new lines and equipment
were built during 1952 to serve the total needs
of a new city the size of San Francisco. At the
same time, we continued to make the telephone
needs of national defense our first order of busi-
ness. And in both military and civilian service,
1952 was a year of telephone progress. And we'll
do all we can to match it in the years ahead.
